**Calendar and Lectionary  
GUIDE 2005/06**

*Revised Common Lectionary readings: Year B;  
Daily Eucharist and Daily Prayer readings: Year 2*

## ***Introductory Note to this Guide to the use of the Calendar and Lectionary during 2005/06***

Each week of the Church's year is identified by its calendar name (e.g. Week of 1 Advent). After the name is given the order of Daily Prayer which is normally to be used during that week.

Next is listed the name of the Sunday, with its calendar date, its category in the Calendar, and its liturgical colour.

Also listed are the Feast Days (in categories 1 - 5 of the Calendar) which occur in that week. The order of Daily Prayer which should be used on these days is indicated, and also the liturgical colour.

During 2005/06 the following Feast Days in category 4 of the Calendar fall on a Sunday and are transferred to the next available weekday:

Joseph of Nazareth	(19 March)
Matthias, Apostle	(14 May)
Barnabas, Apostle	(11 June)

The Feast of the Presentation of the Lord [Candlemas] (2 February) may be observed on the preceding Sunday and the Feast of the Ascension (25 May) may be observed on the following Sunday. See the section of the *Calendar and Lectionary* entitled Using the Calendar, notes (i) and (ii).

Optional feasts (category 6) are not included in this Guide. Users should check with the Calendar each week to determine which if any of these feasts they wish to observe.

For further guidance see the Introduction to the *Calendar and Lectionary*.
